Dear Friends,

It is truly a blessing to receive your donation of \$2,000.00 to the Gideons International. Please find enclosed an official receipt for your records. Your gift will be used to support the purchase and placement of Scriptures in one or more of the 190 countries of the world where The Gideons are organized. Praise the Lord!

The following testimony was sent to us by one of our Gideon representatives. I trust you will rejoice with me over the life-changing power of God contained in His Holy Word.

*Sometime ago when the St. Petersburg, Russia camp was making a hospital distribution, they noticed that one room was closed off. When they asked one of the doctors about the room, they were told that mafia men were in there, and the doctors suggested they may want to pass by that room. But the Gideons decided to go ahead and place Testaments by those beds as well.*

*As they walked through the door, they saw two young men staring at them with dark, cold eyes. As the Gideons announced who they were, the mafia men acted as if they were not there. Then one of the men rudely said, "What are you doing here?" So the Gideons shared about God's Word and told the men that God loved them and could change their lives. At that point, one of the men began to cry and he picked up the Word of God from the table. He shared that he had been shot in the leg, and for the last 19 days he had not been able to rest or find peace. As the Gideon shared God's Word with him, God changed the heart of this mafia man, and today he's serving a living God.*

Please continue to pray with us that many others will come to know the Lord Jesus Christ as their personal Savior as His Word is placed.

Sincerely yours in Christ,
